

Ebenezer New Hope School

2007 / 2008

Annual School Plan

Ebenezer New Hope School

School Vision & Mission

All the activities of our school are founded on the Christian faith. We strive to provide comprehensive educational and rehabilitation services for the mentally and visually handicapped students to foster their good conduct, to develop their cognition and to promote their independence so that they can overcome their impairment and develop their potential.

Ebenezer New Hope School

Annual School Plan

2007/2008

Contents

Major Concerns (in order of priority)	Page
1. To provide Conductive Education (CE) for visually impaired multi-handicapped students with Cerebral Visual Impairment (CVI)	4-5
2. To join the S.A.M.E. (Systematic Approach for matching Mainstream Education) project to develop a special education curriculum which matches with the mainstream curriculum in Hong Kong. To develop a school-based parallel curriculum as well as a valid and effective evaluation system.	6-8
3. To improve the relationship between our school and the community and to expand the community network of our school.	9-11
